Subject: Request to Reschedule Our Meeting
Dear Pavithra ma'am,
I am Mokshagna. I hope you’re doing well. I’m writing because I have a meeting scheduled with you next week, but unfortunately, I have another important commitment at the same time.
Would it be possible to reschedule our meeting to another day or time that works for you? I’m sorry for the inconvenience. I’m available on 5th Oct from 2 pm to 4 pm, but I’m happy to adjust to your schedule if those times don’t work.
Please let me know what time would be convenient for you. Thank you for understanding.
Best regards,
Mokshagna
